## PAYMENTS AND THIRD PARTY PAYOR INFORMATION AND POLICIES

This section should be completed by the person responsible for payment ("Responsible Party") for services the individual ("Child") receives from FIT (Friendship In Teams). The Responsible Party must be the Child's legal parent or guardian. "Third Party Payors" are other public and private agencies that fund services for children with special needs.

Please initial one:

I will self-pay for FIT tuition. Please do not file a claim with any Third Party Payors.

I will self-pay for FIT tuition but would like to submit for reimbursement from my insurance provider by using a Health Insurance Reimbursement Forms.

I would like FIT to file claims with one or more Third Party Payors. I authorize FIT or a representative of FIT to do the following: file claims with Third Party Payors for tuition for my Child; contact Third Party Payors to collect oral and written information about the terms of my Child's policy or arrangements and/or the status of claims filed by FIT; and provide Third Party Payors with oral and written information about the tuition for FIT and what FIT provides to my Child and about the status of my Child's progress.

Check all Third Party Payors with whom you authorize FIT to file claims to and your Child has been approved.

Please note the following:

- FIT will file Third Party Payor claims in a timely manner. Claim information received by this office will be credited to the Child's account and will appear on statements sent to the Responsible Party.
- FIT does not guarantee full or partial Third Party Payor reimbursement for any services provided. The Responsible Party is responsible in full for all fees charged to the Child's account.
- FIT recommends that the Responsible Party call the Child's Third Party Payor(s) to inquire about reimbursement policies for the FIT Program for the Child.
- If the Child's Third Party Payor(s) will reimburse the Responsible Party directly, full payment is due on the final date of the programs semester.

Payments: Full tuition fees are due at the time of registration. They are non-refundable regardless of number of sessions attended. We will help families that choose to submit for reimbursement from their insurance provider by providing Health Insurance Reimbursement Forms. Payment arrangements can possibly be made by contacting the FIT Billing Manager.

All information I provided on this form is complete and accurate to the best of my knowledge. I read, understand, and agree to all Payments and Third Party Payor Information and Policies.
